Special Thanks To:

Nelson! For letting me use its beautiful piece as the cover!

Nook! for letting me use his doodles to fill the space on these pages!

Of course my friends for the moral support!

And lastly, my Moirail that I love <>

RATS

AND YA
BOY
JAVID 2003

the ironic thing
about this whole
thing is that rats
actually dont often
eat cheese for fancy
rats it can make them
FAT real quick so you
really have to be
more moderate with it

its weird rats are prey of osts because
theyre really similar in multiple ways.
in another life theyd be hunting bife
