Xayari Language & Alphabet

Language Name: Xayari (Zai-ah-ree)
Writing System: The Xayari script, called **Vael'thar**, is a flowing, semi-symbolic language based on circular and wave-like patterns, inspired by the underground rivers and shifting tunnels of Xayora. It is written in a continuous, connected style, resembling a mix of glyphs and cursive.

Xayari Alphabet (Vael'thar Script)

There are **26 letters** in the Xayari alphabet, divided into **three categories** based on their origins:

- **Elemental Sounds** – Inspired by natural forces like water, stone, and light.
- **Harmonic Sounds** – Based on the resonance of crystals and energy flows.
- **Living Sounds** – Represent the voices of creatures, the breath of life, and organic movement.

Xayari Letter	Latin Equivalent	Pronunciation	Category

G	G	Hard G (as in "go")	Living
H	H	H (as in "halo")	Elemental
I	I	Ee (as in "machine")	Elemental
J	J	Soft J (as in "vision")	Harmonic
Kz	K	K (as in "kind")	Living
L	L	L (as in "light")	Harmonic
M	M	M (as in "moon")	Living
N	N	N (as in "night")	Living
O	O	O (as in "open")	Elemental
P	P	P (as in "pure")	Living
Qh	Q	Throaty K (as in Arabic "Qaf")	Harmonic
R	R	Trilled R (as in Spanish "perro")	Harmonic
S	S	S (as in "serene")	Living
T	T	T (as in "tunnel")	Elemental
U	U	Oo (as in "moon")	Elemental

V	V	V (as in "vibrant")	Harmonic
W	W	W (as in "wind")	Elemental
Xz	Z	Z (as in "azure")	Harmonic
Y	Y	Y (as in "yonder")	Harmonic
Zh	Đ	Soft "sh" sound (as in "treasure")	Harmonic

Writing Style:

- Xayari is written in a **circular** pattern, flowing outward from the center of a page.
- When written in straight lines, it follows a **wave-like script**, mimicking underground rivers.

Xayari Grammar & Structure

1. **Word Order:** Subject-Object-Verb (SOV)

   - "I see the star" → **"Zael tharan ixy."** (I star see.)
2. **Tenses:**

   - Past: Prefix "Xa-" (Xa'zael = "I was")
   - Present: No prefix (Zael = "I am")
   - Future: Prefix "Va-" (Va'zael = "I will be")
3. **Pluralization:**

   - Add "-an" for general plural (Xar = light, Xar'an = lights)

○ Add "-ei" for living things (Zora = plant, Zora'ei = plants)
4. **Pronouns:**

   ○ I: Zael
   ○ You: Thi
   ○ He/She/They: Uvra
   ○ We: Xavi
   ○ They: Olyx
5. **Common Suffixes:**

   ○ "-ix" = diminutive/small (Tzorix = little flame)
   ○ "-an" = group/plural (Shor'an = many waters)
   ○ "-thar" = place (Irythar = sacred place)

Key Xayari Phrases

● **Hello: "Kzai'vael!"** (Lit. "Bright path!")
● **Goodbye: "Va'reith."** (Lit. "Go in harmony.")
● **Thank you: "Xar'thi."** (Lit. "You bring light.")
● **What is this?: "Thi zharen va?"**
● **I don't understand: "Zael nox'thi."**
● **Where am I?: "Thi'va tharn?"**
● **Are you okay?: "Thi'irsha?"**
● **Yes: "Va."**
● **No: "Nox."**
● **I love you: "Zael varai'thi."** (Lit. "I cherish your essence.")
● **Help me!: "Thi'zaen!"**

Extra Notes on Xayari Language

● **Names are sacred.** Many Xayari have **"true names"** known only to their closest kin.

- **Music is a part of speech.** Some words are sung rather than spoken, especially when conveying deep emotion.
- **Energy Crystals store messages.** Xayari can imprint sound or thoughts into special bioluminescent crystals for later playback.

Kipzo's "true name": **Xyren'voh** (Drifter Between Stars)
