My Friends Hates Filletus on DA!

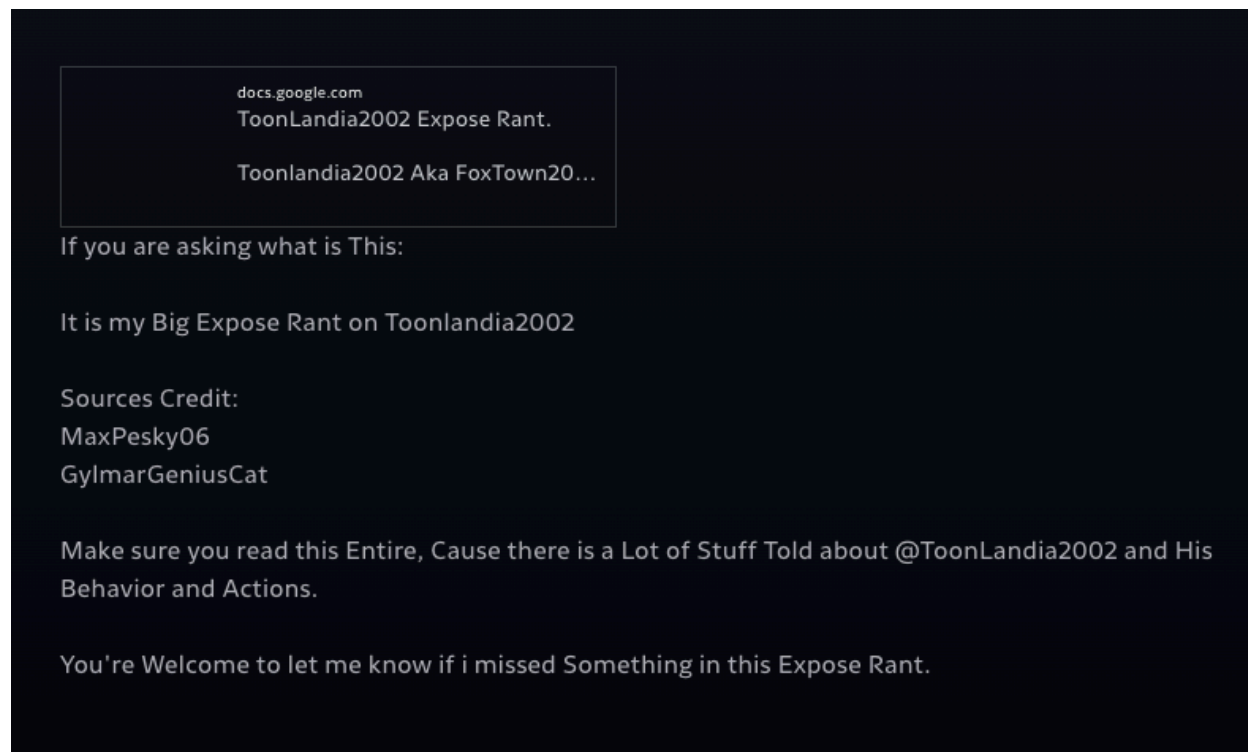

Filletus is Got Cancelled for Good! And He Getting
Deactivated Account Soon.

Anyways, Let's Begin.

Chapter I: Sources Credit Post

Filletus Made a Bad Expose Rant on a Journal and All the
Other Users It Got Blocked Me on DeviantArt, and He
Removed My Google Document as Well, and He Deleted
Chapter I: GylmarGeniusCat's Art Trades and Chapter II:

MaxPesky06's Expose Rant, This Posts has Been Deleted.

DeviantArt Deleted a Bad Journal,
and You Don't Read his Entire!

I Not Behavior and Action
Anymore!

Chapter II: His Rules

Filletus Made Out 2 Hate Rules on Big About, and to Getting a Big Trouble.

The First Rules:

Filletus are Made Out a 10 Rules on DeviantArt, and Don't You Ever Type It All.

Rules (Some Rules are In Quotes Only i Understand):

1. There will be No Stealing/Tracing my Art in my House. (Quote = Some Tiktok Video)
2. Don't Even Think about Recoloring Any of my OCs and Claim it as yours, Or i'll know. (Quote = Metal Gear Solid)
3. Now you Better not Block Evade, Otherwise I'm Gonna get Real Sour, I'll be Real Angry If you do that, So you'll be better Stay Put, Alright? (Quote = Lukabigpants - Woodland Encounter)
4. If you're Gonna Hate me for No Reason, Just Don't Go to my Profile Then.
5. I don't advise you to Try to Make An OC To Make Me Look Bad or Ridicule Me, I've Had this situation Before, You don't wanna do it next, Cause Otherwise, You Won't Escape with Sweet Earn, but I'll Have you Exposed Badly.
6. Fanarts Are Always Great, Not Required, but at least Appreciated, But What is Never Great is Hate art For Wrong to No Reason, So Please, Avoid Doing That.
7. I Get More Annoyed Each time you Ask me to Unblock Someone. (Like, Seriously, This Is Strikable Offense) (Quote = Baldi's Basics)
8. If you're gonna ask me to Ask other user to Unblock You, You are Only Wasting your Time, Cause I am not gonna Ruin my Reputation over Just this Kind of Request.
9. But Let's not Forget that Talking Trashy to me / Bullying me is a Strikable Offense. (Quote = Trivia Murder Party 2)
10. Remember: No Spamming / Trolling. (Quote = COD: MW2)

That was BAD!

The Second Rules:

Filletus are Made Out a Hate Rules on DeviantArt Again, and Art Trades are Failure, and Don't You Like At All!:

1. I won't be making your characters doing anything Inappropriate or NSFW, that also counts them Smoking or Drinking Alcohol, My Profile Isn't Made For that.
2. Make sure you Say their name and show how they look like so that i have replica of how they look like.
3. Don't be Upset from Impatience if i haven't made an Art Trade With You for a Long While, even if i accepted, Cause in my Timeline, it can be Midnight, just when i am Sleeping or i Might Be Busy with your or Others Art.
4. Be Sure to Credit me in your Art Trade Half.
5. Your Part of Art Trade will be accepted if there is: No Racism, No Gore Stuff, No Violent Stuff, No Gross Stuff, No Vore, No Belly Inflation, No Torture Scenario, No Kidnap Scene and I Refuse to see any of my characters Smoking, Threat Other Character in Any Way, Drink Alcohol or in your Art Trade Art, If you Fail to Follow my Restrictions, I'll Pull Off the Art Trade Agreement with you by Not Uploading My Art Trade On My Page.
6. If you are Gonna Ask for NSFW Art Trade, You have to be over 18+ and you gotta have discord account or FurAffinity Account
7. Characters Count per Art Trade = 1-2.
8. If i don't Respond to your Question "If i am Up For an Art Trade" for a long time, Please don't go around spam-asking if i am up for an art trade, then later be mad at me with "Why am i not responding", cause not only it will annoy me, but it will also show how weak your knowledge of DeviantArt Etiquette is. The Reason Why i Might Not Be Responding is Because i might be sleeping at a time where in your time is day.
9. Only 2 Art Trades Per 2 weeks, Cause i want some place for my own stuff, aswell (Unless i really feel like making one but am unable to find anyone for it)
10. One Art trade Request Per Person, I won't be Doing Multiple requests from you at the same time (Example: You ask for art trade, I'll accept, Few Minutes Later or in the Middle of Our Work, You ask for another art trade, I don't want to be doing this that way)
11. Make Sure You Draw your Character in Blank Canvas and NOT in My Style Your Style Template (The Reason why i set this rule, is Because I use My Style Your Style Template as a Single Character Reference, However, 9th February 2022, I was notified with False Detection of Art Theft, Which wasn't Actually Art Theft, But an Art Trade i Did with One User, and I don't want to get same notification i did that day, cause it annoyed me quite, So Please Do the Character i Request you in Blank Canvas, Thank you For Understanding.)
12. If i have art trades closed, but ask another person who has art trades open, please don't freak out over why i don't accept art trades from you when i asked for one from another user. it may happen because i was interested doing that with a certain user.
13. I'm Only Doing Your OCs, I don't feel like doing Characters from whatever show or anime it comes from, unless if it comes to me asking first Or the Fandom may look or sound Interesting.
14. I'm not Doing Scuba Diving Art, I have Been Art Trade-Requested with too many by one certain person, and there's no way i'm doing another one. Sorry.
15. No Hugging Art, Sorry, I am not great at making those arts without making the whole art look awkward.
16. I prefer Drawing Clothed OCs (However, I may or May not make an Exception if Your OC Reference doesn't have clothed reference)
17. No Clothes Tearing Art (It gave me Uncomfortable Experience, Plus My Page isn't really made for this kind of thing.)

That was BAD Too!

And You Don't Ever Made Out a 2 Bad Rules on the About, and He Had to Move Off and Some How.

Some Other Users Don't Like the Rules and Never Be Nowhere.

Every User who i marked as "(NOT Blacklisted)" are the People who are my Friends and I wouldn't dare to just casually blacklist them.

And He only done it again, Just to make me look bad...

And let me make one thing clear, he made this after i did this to his Callout towards me. (This is why you should not leave your Callout post with Everyone with link with an Editor Role)

Ok, I admit, I sabotaged his Callout towards me, but i had certain reasons to do that, if anything, his callout post was very weak and misinforming anyway.

I Genuinely Wish to give [AlexTheFoxCub](#) a Restraining Order, Cause this is Really Despicable from him.

The Link that Previously Led to [AlexTheFoxCub](#) 's callout post towards me, now leads to "My own" Fake Blacklist.

[AlexTheFoxCub](#) STOP. THE CAP! Move on From me!

I may tag few people who i think are worth to be mentioned:

Not to mention He made Hateful Comments on Some of my Videos. Which led me out of my Insanity, to Comment back on some of his Videos, My Expose rant.

Which led to this:

And Let's Just say, I am hoping that when i rejected his permission to edit my expose rant, while i left him an unmannerly message, that this is my final action i am taking.

Filletus 5 hours ago

To the Innocent People who have to Witness it and Don't like Expose Drama, I am Genuinely Apologizing in Advance to have to make this post...

However, i already had Enough of these 2 Users, So... If you don't like getting yourself involved in drama, just don't reply then.

@Pepper-ColorYT :

There Links lead to Callout Posts, That expose true colors of these users.

And Don't think you can report these links, Cause these links are Unreportable.

(Yeah, These two people have the Audacity to burn down Our Evidence towards them.)

I-Love-LAS-MMALM and Mdfoote Commenting on Filletus' Bad Post of Me and He Lying to Them.

Chapter XX: Filletus Made Bad Videos and Posts

Filletus Has Made a Failure Videos and Posts of Me on YouTube, and He Putting a Videos on DeviantArt, and He Has Made a Bad Comment as Well.

Filletus Should Be BANNED from YouTube!

Chapter XXI: Danny Deserves Phillipa

In 2023, GylmarGeniusCat Made a Bad Picture on DeviantArt, and in 2024, DeviantArt Deleted Bad Picture of Death Treat, and There Gone.

Danny was Worried, Gylmar is Raged, and Phillipa is Started to Cry.

Toonlandia2002 Are **NOT BANNED** on DeviantArt!,
and This is a Horrible Art!

Danny is Belongs to CherryToons
Gylmar is Belongs to GGCPictures
Phillipa is Belongs to Filletus

These are the 3 Worst Users on DeviantArt.

Bad Artwork by GGCPictures, and DA Got Deleted.

Filletus Had to Make a Post of StevenandStevie (by
Oh-Pencil-Miss), He Updates to CherryToons Too

You Know, and He Writing to Long Words on a Post Ever Be.

See Here:

This is update on [@@CherryToons](#)

It appeared i thought she asked [@@StevenAndStevie](#) to make Murder Art Towards me, but I should have also realized, it could have been [@@StevenAndStevie](#) 's Fanart. Which actually Was the Fanart for this user.

I really didn't wanted to ask you, To Block and Report [@@StevenAndStevie](#)

But i just have no option here but to ask that,

cause this user is Nothing Short of Being ManBaby, Lolcow, and Toxican Combined.

Manbaby and Lolcow may be Self Explanatory.

However:

Toxican is like a Person with Very Toxic Personality.

This Post are BAD!, and You Don't Do It Again!

And You Had to Report a Hate Post and Taking Down for Good!:

<https://www.deviantart.com/filletusart2001/status-update/This-is-update-on-CherryToons-974559110>

Here, Take a Look at Hate Chapter as Well:

Chapter VI: Toonlandia2002 and his Beginning of Second Hate Wave

Late July on His Alt "StevenAndStevie"

He Made this Status Update:

Which led me to block this alt of His.

After i Reported this post.

It was Taken Down.

Few Days Later.

Which happened Today.

He Made Murder Art Towards Me Including
CherryToons's OC "Danny"

Making An Art where Danny Stabs "My Genderbent Sona"

I thought At first, CheeryToons Requested that, Leading Myself to block this user, Until i realized, she never requested such thing, so basically ToonLandia2002 or StevenAndStevie Alt Speaking, Tried to Make CherryToons Look Bad, Not to mention he Made Murder art featuring CherryToons's Character without This user's Permission.

Now Toonlandia2002 Probably May have referred this look of My GenderBent Sona from this Artwork:

If you Check Closely, You Should be Able to see My GenderBent Sona Here.

I Reported his Murder Art, Cause this Art is a Punishable Offense in my Opinion.

**THAT WAS VERY
BAD!!!**

The Other Users Reporting
Toonlandia2002 Expose Rant is a
Bad Document!, and Not Reading
This Time!!

Chapter XXII: Hate Arts of Alex the

Chapter XXIV: Hate Posts of Dial102394

Filletus Has Made Out 4 Posts of Dial102394 in the Public on DeviantArt, And Some Others Users Getting Blocked Him and No Good At All.

The First Post:

I blocked back @dial102394

Apparently This User has Blocked me after i warned him to give him Strike Two if he doesn't calm down.

He Just asked me to unblock @@Toonlandia2002

I told him no and Gave him strike one as a warning.
Then he decides to Blackmail me that he will sue me if i block him for three strikes.

and as i previously said, I warned him with strike two if he doesn't calm down.

So Let's say i wanted to be nice by not giving him instant second strike, but he is now blocked back for blocking me for simply giving him a strike two warning.

And Let me just say that mentioning toonlandia2002 in my page is strict taboo due to actions toonlandia2002 has done.

and i wanted to slightly justify this user's actions for violating this strict taboo i had on my page.

This Just Proves this [@@Dial102394](#) user is Block-Dodger, Manchild, Toxican (Toxican = Person with Very Toxic Personality), Blackmailer and Bad user supporter Combined for this recent action.

Chapter XXXVII: Shaggy teaches Alex the Fox a lesson

CH1996ART Made A Hate Art of Alex the Fox with
Shaggy and Scooby Doo On DeviantArt as Well.

Shaggy is Very Angry at Him.

You guys may have known that Toonlandia2002 has done some horrible shit over the years. So I thought I'd draw Shaggy Rogers choking Alex the Fox to death to teach him a lesson. It would've been funnier that Shaggy puts him in the oven (he could've put him in the microwave but he was too big to fit inside it).

Sure, you could pretend that Shaggy uses his ultra instinct powers all you want, but the way I see it, he doesn't even have powers, yet he can teach him a thing or two.

So yeah, I hope you guys like this image I've drawn.

Oh No!, Alex is NOT a Threatening, Murdering, Disgusting and Pedophile!!!, and He Made a Hate

Leave Alex the Fox Cub Alone!

Has anyone ever heard of **Toonlandia2002/AustraliaArtStudios**? Well, I just wanted to let you know that there is evidence of him not being the good person he thinks he is. This large document showcases all kinds of bad things he has done:
https://docs.google.com/document/u/0/d/1TqfaGQC4BdhgoYllzmmxHeXX5v5VFz2GDBQD_u mMJGE/mobilebasic

By the way, this guy once duped me out of an art trade 2 years ago, back when I still did traditional art using pencils; I did my part, but he never once got to work on doing his. I gave him an ultimatum to get started with his part of the trade within 10 or 14 days (I can't remember the exact amount of time I gave him) and when he didn't comply, I followed through with my ultimatum and blocked him on all platforms. I hope this helps you understand the true nature about him.

At the first I thought this guy is just a man-child, who keeps on watching cartoons and making very bad fan-arts of any cartoon I could think. Sometimes he even stole other people's drawings and used them as stocks. I thought DeviantArt's already wonky recommendation algorithm was just recommending these drawings for no reason, because I don't have interest in cartoons or childish drawings, what DeviantArt has like too much. This is one of the reasons why I blocked him in the first time.

On august 2023 I went typically to my account settings and unblocking user that have deactivated. I found the ToonLandia2002 was underlined. I thought he gave up on DeviantArt and I unblocked the username.

Then a screenshot of Tabaluga popped to my Home-section and I thought "He came back?" As usual, I blocked this username known as "StevenandStevie".

Later that account got deactivated and new one popped. Now I started to be more suspicious and I found this Google Docs document about ToonLandia2002 made by username @Filletus Now I got even more suspicious about the guy's behavior. He isn't just a cartoon fan, who pollutes my Home section with Alex the Fox characters, some even drawn by other users, but he's also a horrible person, who can't take criticism and can't change his behavior.

Now on every single account he makes will be blocked and I stand by my position.

...

So [@PandaLig](#) recently blocked me...

I guess i'll say what i heard from another user.

You are:

"Defending diaper artists after talking to them, claiming some are "innocent" then puts the blame on me. Yet at the same time, disliking diaper art", isn't that "Hypocritical"?

Doesn't that also seem unfair how you blocked me for no actual reason? All you said before you blocked me was

"You and I are no longer friends!!!"

If Honest, I don't give a shit anymore, If said:

I don't even know who influenced you to block me on the spot. but if i Find out [@TheCartoonCreations](#) influenced you to block me. You'll be put to His Whiteknight List Next. And i do mean it on my callout, which, reveals a lot.

Hey random user, just spreading this around in the hopes of exposing some pretty disgusting people. You can ignore this if you want or hide this comment if you don't want any association with this. But if you don't mind, feel free to assist me in my efforts of reporting these users. This post - <https://www.deviantart.com/uncletzuki/art/1055224072> - gives a run down of everything they've done. Thank you for your time, I apologise if this comes off like spam

Reupload to Here and All Day.

And So, Taking a Look a Bad
Posts and See If I Was, And Don't

First Post:

So @Pepper-color Just Had this Bloody Audacity, to Take down my Callout from google docs...

Ha ha ha ha ha ha ha...

@Pepper-Color ...

You genuinely Think you have won...

But I... Am... Two steps ahead of you:

This link leads to an Unreportable Version of @Pepper-Color 's Callout. You Will Not Get away from My Callout Unscathed.

You have triggered my Meaning of " around and Find out", the Joke's on you, Pepper-Color.

THAT WAS BAD!!

Second Post:

You know what? DeviantArt is the Most Toxic Art Community i have been on.

Don't Change my mind.

Everyone is just having Problems with me over One 17-year-Old Calling me out for Stuff, That is in some parts quite inaccurate.

And Deviantart Admins Do nothing to stop it.

Genuinely. Curse that All.

Maybe I'm the next Pepper-Color here to Some.

But i still have "My Friends".

Don't Change my mind on the Fact that Deviantart just Became an Art Version of Twitter/X.

And  this Site i don't wanna stress myself, I'm outtie.

THAT WAS BAD TOO!!!

Third Post:

So i heard, @yahinodpe got Banned, i think...

I'll be honest...

I see many Users Celebrating Yahinodpe's Ban...

If Honest, These users have a good reason to celebrate, cause he was making hate arts and murder arts, and Just today...

Yahinodpe has Learned the Hard Way when i tried to tell him not to make hate arts and murder arts...

However to the People Who Celebrate Yahinodpe's ban, Such as @Pepper-Color and @CanadaKiwi you shall know...

You're Not Invincible, Nor Unstoppable...

Hi, I just wanted to ask if you can unblock my friend Pepper-color.
Please?

Reply

REMINDER: If @Gray-Lord tells you to Unblock @Pepper-Color
DO NOT...

First of All It's Incorrect in Deviantart Etiquette to ask users to unblock other user, Second of all, It
disgustingly Annoying.

Gray-Lord, Stop Telling other users to Unblock Pepper-Color!

You Think they are Innocent, But She Certainly Is NOT in reality.

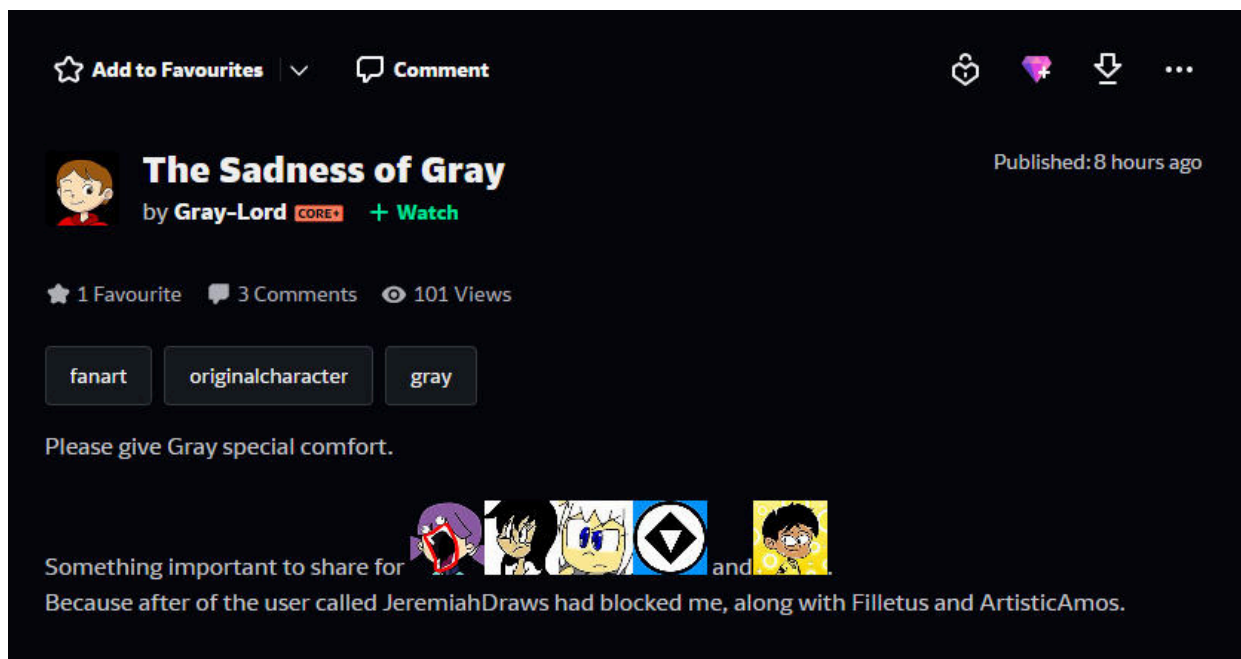

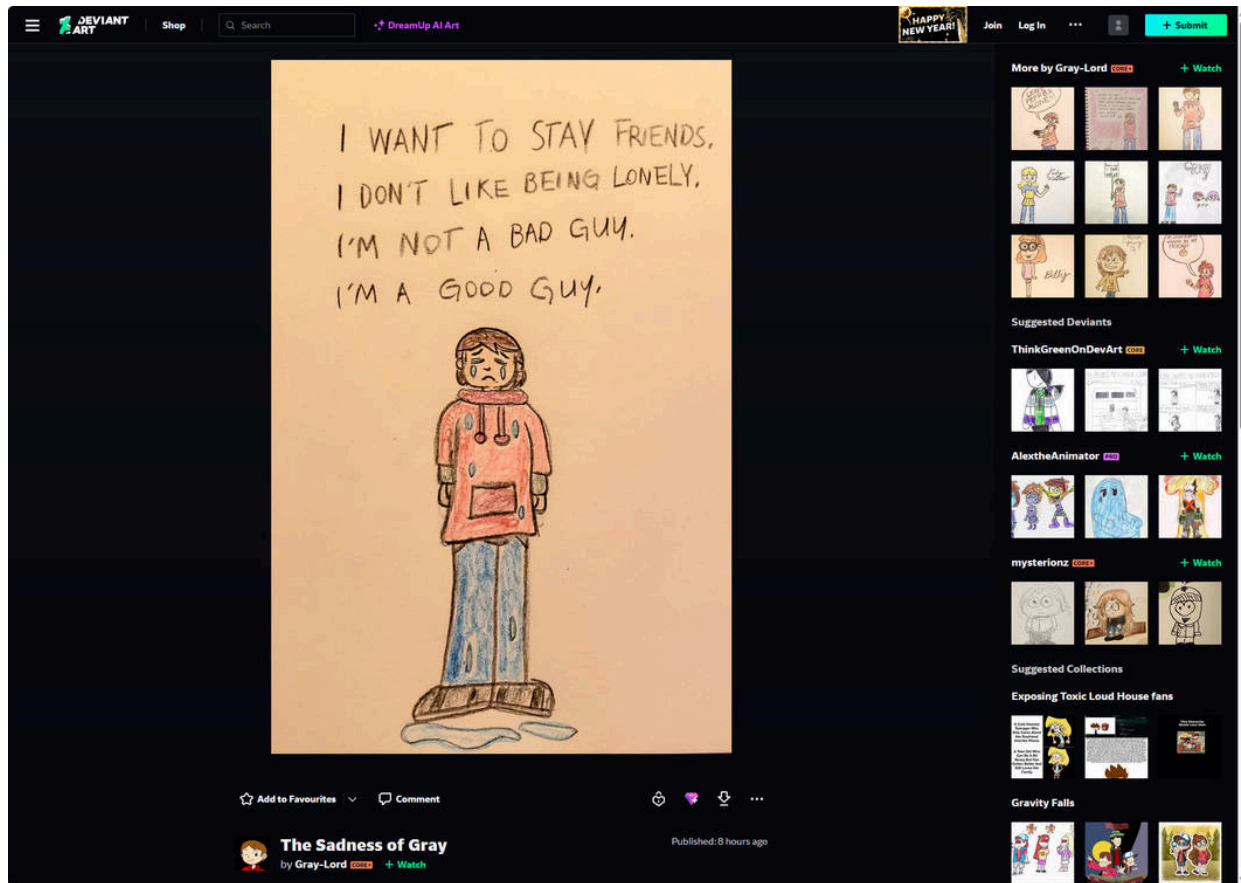

Just Leave them Alone, Mind your Own Business no one wants to deal with that from you...

That Sounds like a you Problem, Cause Me and Other Users who blocked you had a Reason to block you. Yet i guess that's your perk of being Block Manchild.

And Obviously you had to tag Pepper-Color into this...

How can you call yourself a good guy when there is this evidence right here?

Shame...

Chapter LXXVIII: Small Weak Callouts

When Filletus are Making a Small Weak Callout Posts, In 2023.

And So, The Other Users are Getting Block and Reported Them for Good, and So, Here is a Images for You.

Small Weak Callout 1:

Filletus are Made Out a First
Callout on CraigClark111 in Google
Doc,

Now Let's See This Here:

CraigClark111 Expose Rant:

Hi.

This is Filletus with Another Expose Rant.

This Time i would like to Tell you about "CraigClark111"

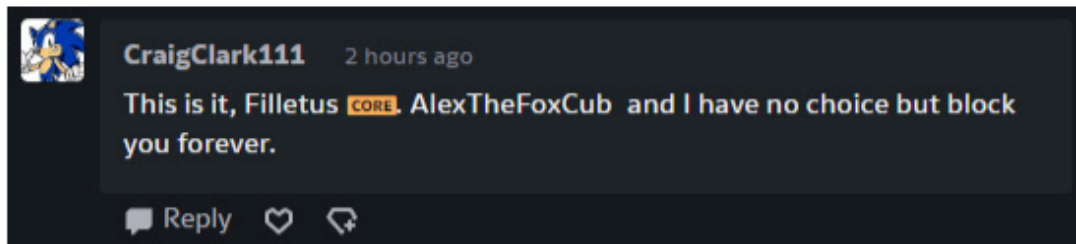

Who i Have a Bad History with as well.

Anyway, Let's Begin.

Chapter I: Insult Towards Me.

Now this Incident has Happened Many Months Ago,
plus i Mentioned it Back in my Toonlandia Expose Rant.

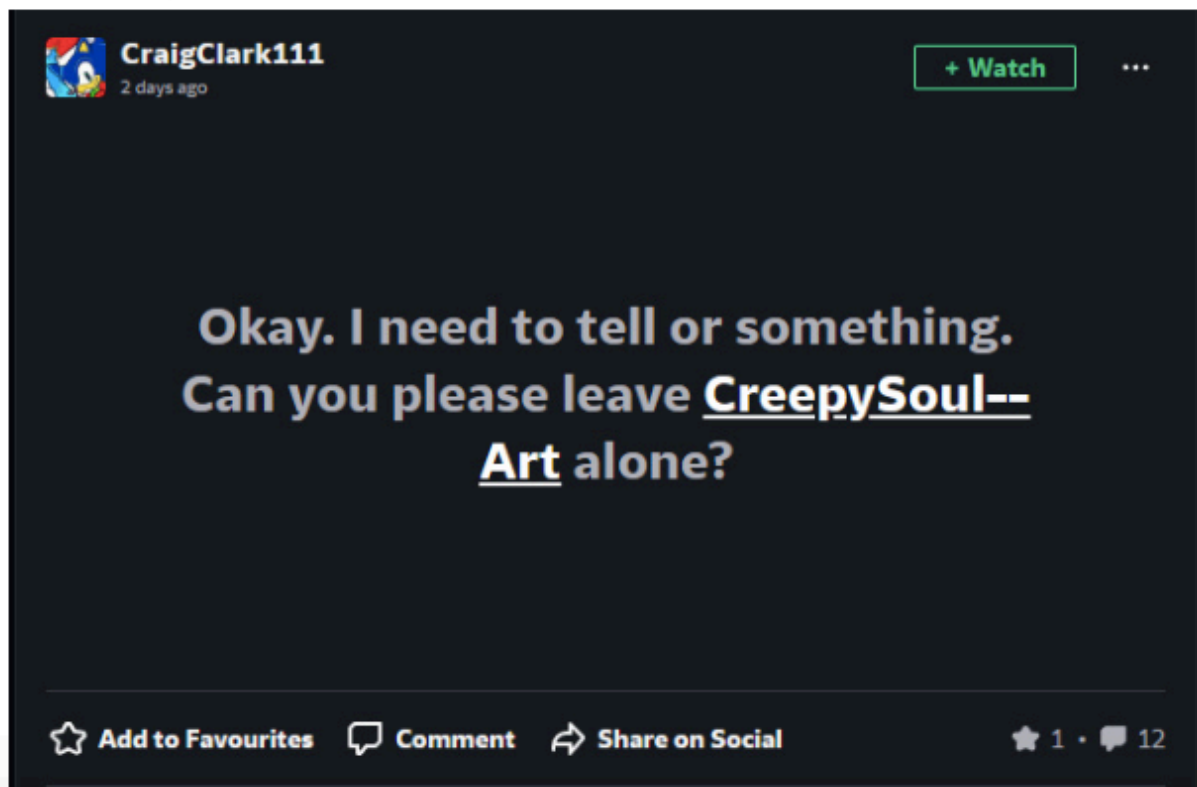

But Craigclark111 Has blocked me for Exposing
Toonlandia.

Brother, Am I Gonna Rage Over getting blocked by you
for Just this?

Chapter II: Support of Wrong Users

Looking at one of his Status Updates.

This user also Supports Wrong Users like CreepySoul-Art, This user has Committed a Wrong Doing by Commenting Inappropriate Artworks on others.

Sadly i didn't Screenshoted the Proof, But It was some Torture Gay art, With one Sucking dick of another one.

These kind of artworks are Prohibited by DeviantArt Rules.

And CraigClark111 is Defending This User, Despite the fact CreepySoul-Art Done a Major Wrong-Doing.

Chapter III: Manchild Over Block

From what i have found out: CraigClark111 Hates to be Blocked, now i don't know if he also Block Evades, But it isn't Exactly Okay To Both Block Evade and Act Man-Childish about it.

Chapter IV: Final Insult that Led to this Expose Rant

So I found out CraigClark111 Has Insulted SkyAgentJake

<https://twitter.com/SKYAgentJAKE/status/1735831302975471724>

Now To Explain Who is SkyAgentJake:

He is One of the Users Who Silently Checks on DeviantArt and Exposes Those Users who Commit Terrible Wrong-Doings on His Twitter/X.

Conclusion:

CraigClark111 is just One of The Man-Childs who supports wrong users.

All i may ask you is: Do not Attack, Harass or Threat this User in Any Way.

Just Block Him, And If You feel like it, Report him.

[CraigClark111 User Profile | DeviantArt](#)

Have a Good time.

-Filletus

This Callout is So Small, and That is so OK.

Small Weak Callout 2:

Filletus are Made Out a Second
Callout on Rocketspruggs in
Google Doc,

Now Let's See This Here Again:
rocketspruggs expose rant:

Hi, this is Filletus

and Today i had to make this expose rant on
the user known as "rocketspruggs"

This Expose rant will contain chapters, so make sure
you read all of them:

Chapter I: Early Times

Rocketspruggs used to be a normal user with a good career and good reputation, i used to respect her back then, she used to like some of my artwork.

But This... Has now Been Something that She took a screw on. This will be said later in this Expose Rant

Chapter II: The birth of MyNameisPiBBLE

MyNameisPiBBLE also was that type of user who used to be respected, however, was later exposed for her actions, which could all be found right here:

<https://docs.google.com/document/u/1/d/1juJ4tPJSX6twBTIZfoZWjXCGk53P3lqa0e4sYnZM1eQ/mobilebasic>

Chapter III: Her “MyNameisPiBBLE” Support Downfall

So Rocketspruggs is and still will be the supporter of MynameisPiBBLE, which is bad for all the stuff MyNameisPiBBLE.

To be Fair, ProgramLara is the person behind expose rant on MyNameisPiBBLE, for which i blocked that user.

But it was later found out, That she hoped for ProgramLara to leave deviantArt while also Prevented MyNameisPiBBLE from Deactivating her own account

She also Targets someone who may or may not appear to be innocent. "Ilikediaperslol" for spreading the document related to mynameisPiBBLE.

I mean, Diapers may have done a good thing, even though i myself don't know him.

Chapter IV: Her Rules:

OK...

To be fair, Rocketspruggs Rules overall are more valid to be respected than the Rules toonlandia2002 did.

"Do not tell me to unblock any user, your comment will be removed, and you may be blocked without warning."

I honestly am not a fan of users who ask me to unblock or tell me to ask other user to unblock the specific user either, but I use this one Method before blocking anyone, Strike method. Basically Three strikes and you're blocked by me, Unless the user pulls off serious bad move.

Do not steal my art, impersonate me, or make porn fartwork of me and my friends.

I don't want any of this either.

You are allowed to use my art, *as long as you mention me to give credit.*
However, you are not allowed to use my art for NFT's at all, no exceptions

OK?

I don't care if you swear, it is allowed. Slurs are not allowed, however.

Good for you that you don't care if anyone swears, Unlike MyNameIsPiBBLE

Opinion-bashing is not allowed, we all don't have the same opinion.

Yeah... You cannot make someone change their opinion, Nor Change the opinion on some user, unless that some user is someone who committed serious bad move.

If you do decide to block me, I will have to block you back, so that we're even.

I can honestly Relate to this rule, Since i Would do that too if someone blocked me, But at least i wouldn't tell other users to block you,.

I don't care if you unwatch me, not everyone has to appreciate my art.

Good, i myself don't care if anyone unwatches me either.

Do not spam my profile with too many comments at a time

Valid as well.

My username is spelled as you see it, it is not spelled any other way, and it was never intended to be.

So, please don't spell my username wrong, I don't like it, it looks so stupid when it's spelled wrong.

Agreed, but that doesn't mean you have to harshly fix the user who either Wanted to give you Nickname or spelled it wrong either because he had struggles typing it right or because he made a typo

Please do not criticize my drawing skills, I can draw however I want to. Your comment will be removed, and you will be blocked without warning.

Ok, So here i named all of RocketSpruggs Rules in her page.

Chapter V: RocketSpruggs and Her Reputation Downfall

After Rocketspruggs was blocked by Me,
MinhPham2005, MaxPesky06,
MaddoxTheDangerAgent and SKYAgentJAKE,

She Made an art like this one

I mean, It's just a basic art of her leaving the site.

But the description is why i decided to make this document instead of short status update on deviantart.

Her Description says "I am temporarily leaving DeviantArt, because of cowards blocking me JUST for being friends with mynameisPiBBLE"

But now what else she said makes her just being a manchild over blockages

"Please block MinhPham2005, Filletus, MaxPesky06, SKYAgentJAKE, and MaddoxTheDangerAgent, they deserved it for betraying me by blocking me"

The Amount of Wrong Vengeance and Disrespect Rocketspruggs shows is just on another level.

Well she also Said she will be back September 1st 2023

Not to mention she asks to block the specific users, including myself in one of her recent status updates.

And Let's not forget she is on Tumblr, Youtube and Twitter, Now known as X, but who wants to give two cares to call it X? Heh?

Conclusion:

RocketSpruggs is just this user who rapidly put her reputation into Downfall

Not to Mention She is Criticism-Dodger, ManChild, Toxican Lite (Toxican Lite = Person with Toxic Personality, but not as toxic as Basic Toxican) and Wrong-People Supporter Combined all together.

If your brain was not Manipulated by her yet, Make sure you block her on these sites if you got an account in here:

[rocketspruggs - Hobbyist, Digital Artist | DeviantArt](#)

[rocketspruggs 🐰🌸 \(@rocketspruggs\) / X \(twitter.com\)](#)

[HayleyBunny1222 \(tumblr.com\)](#)

If you are one of those users who is about to block me, Then Rethink your Decision on it, especially if you considered reading this expose rant:

Now i say it in every document of my own, but it is important to let you know: Do NOT Harass, Attack or Threaten this user in any way, if you will, It will put your reputation Score Downhill.

This was Filletus.

Have a Great Day.

Small Weak Callout 3:

Filletus are Made Out a First
Callout on Robert-Butler in Google
Doc,

Now Let's See This Here:

Robert-Butler Expose Rant

Hi, This is Filletus.

In This Document, I would like to talk About
Robert-Butler, Currently known as "Robert-Butler-2"

Brace Yourselves cause what this User done may not
be Acceptable for his Reputation.

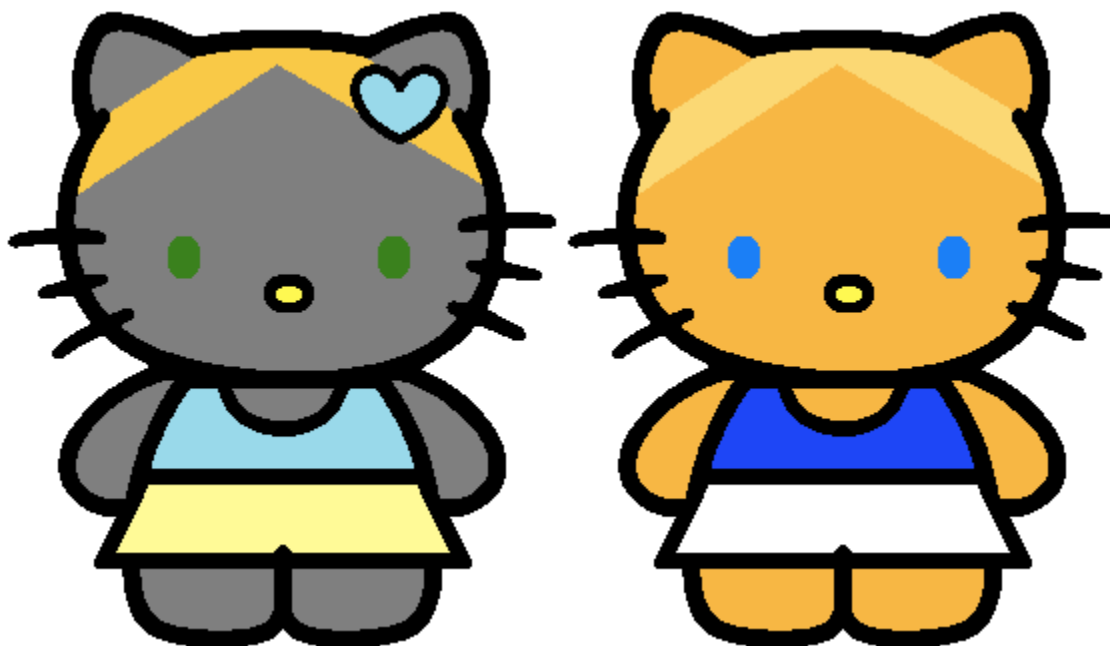

Anyway, Let's Begin:

Chapter I: Obscene Art-Trade Communication

I remember Back then When Robert-Butler-2 has
Wanted art trade with me, But he done Asked for an
Art Trade in an Obscene Way.

Cause He Begins Asking for an Art-Trade by Making
his Half First Without without The Other User
Expecting Doing Art Trade with Robert-Butler.

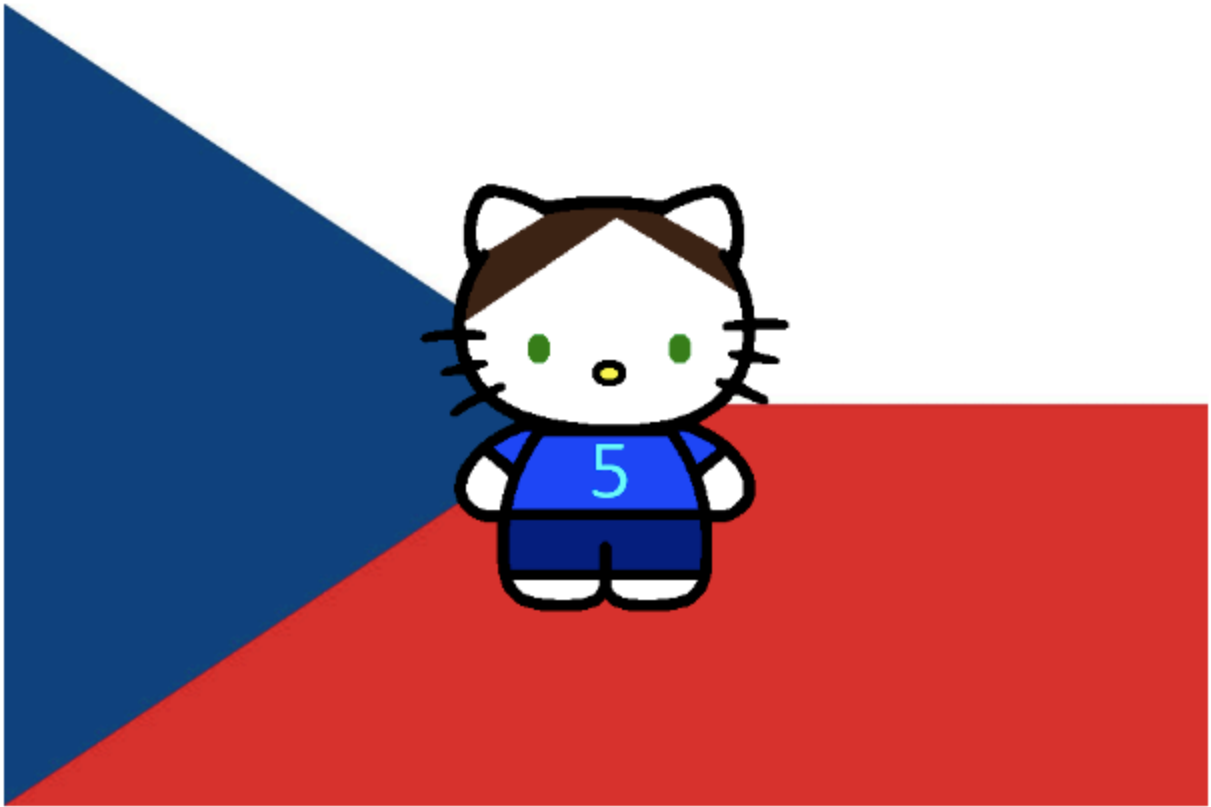

And it may look like this:

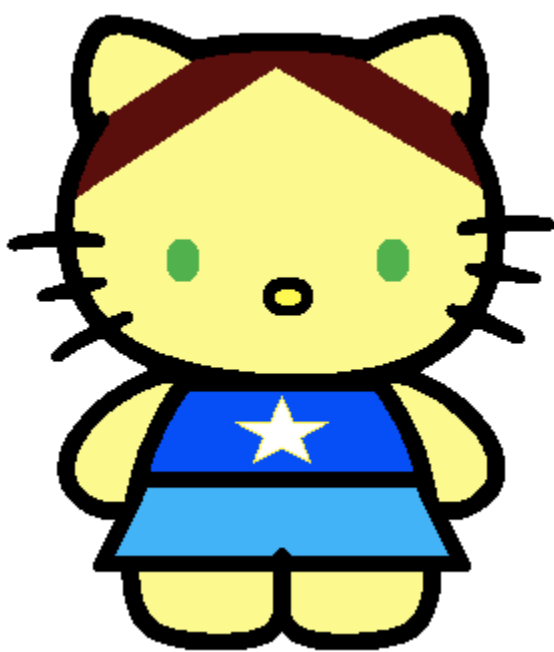

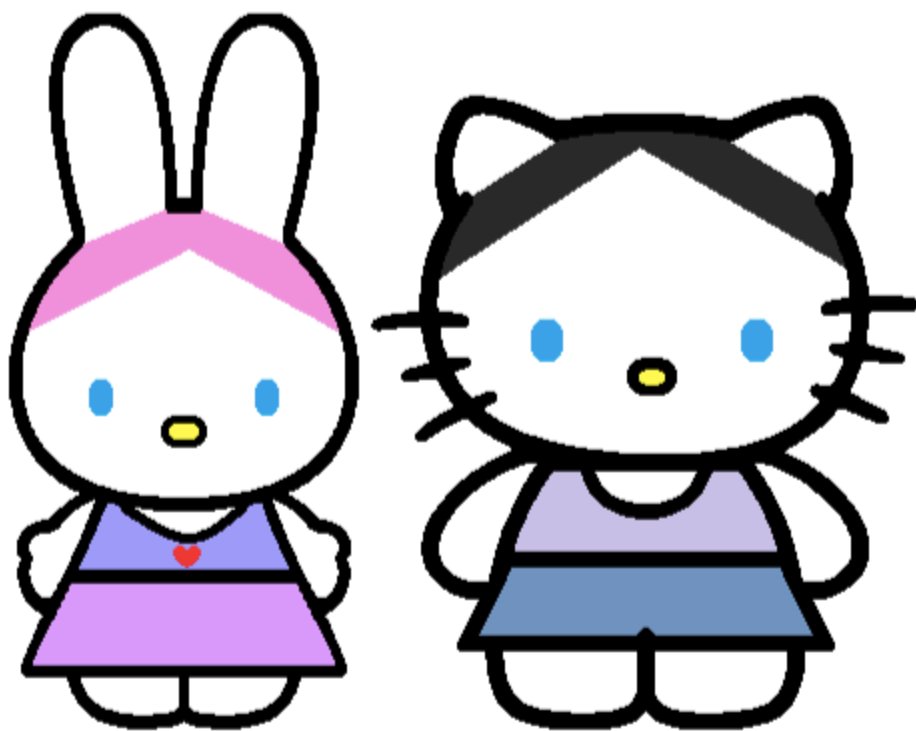

Now These are All of Robert-Butler-2's Art Trades I done with him, but He Didn't Asked me First "If i was up for one"

When you Accept doing art trade with him.

His Request for your half may look like this.

His Request for your half may look like this.

And If you are taking time with your Art and Don't like being rushed, then don't do one with Robert-Butler-2, cause he may usually remind you about it.

And Robert-Butler-2 Often Asks for Scuba Diving Art, Mostly with 4 Characters from TV Shows.

Which is Why When i Was Burned out, I had to Make a Rule "No Scuba Diving Art", Cause I had enough of His Energy-Taking Art Trades.

(And Yeah, I Finished all of his Art Trades until i Burned myself out)

Chapter II: His Wanting to Unblock Toonlandia.

Early August 2023, Robert-Butler Tried to Tell me to Forgive Toonlandia back then.

And that made me not happy, If you don't know who toonlandia is, Click this Link and Learn more about him:

https://docs.google.com/document/d/1TqfaGQC4BdhgoYllzmmxHeXX5v5VFz2GDBQD_umMJGE/edit?usp=sharing

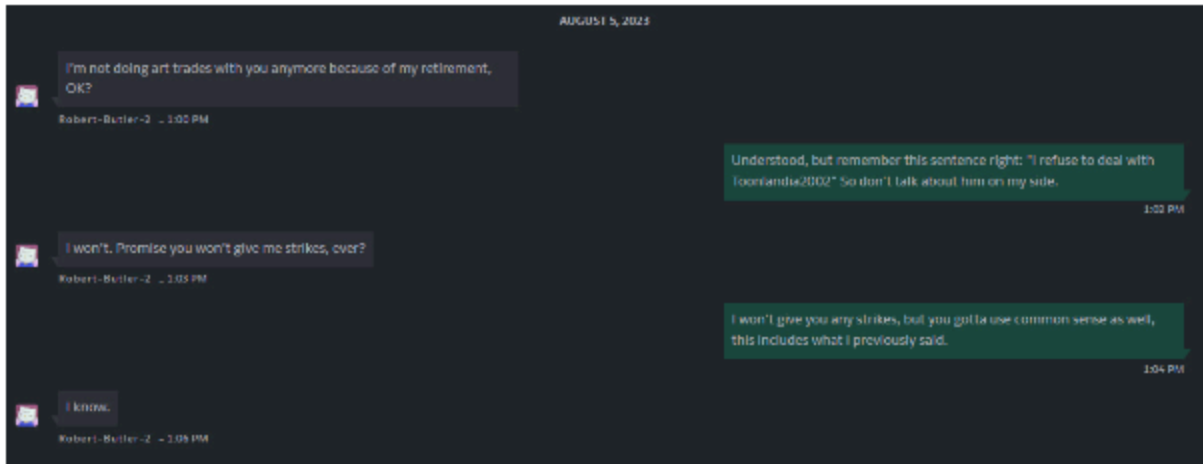

NO! Don't Do Ever Click Here a Link Anymore, This Callout are NOT in Safe, This Document was Bad and Horrible, and You Don't Look a Chapters Ever Again.

And No, I didn't Thought of Screenshoting how he said it before he deleted it.

Chapter III: Block Avoid

From what i have figured, Robert-Butler Hates Getting Blocked, Even hates getting Strikes based on Three-Strike Method.

Proof:

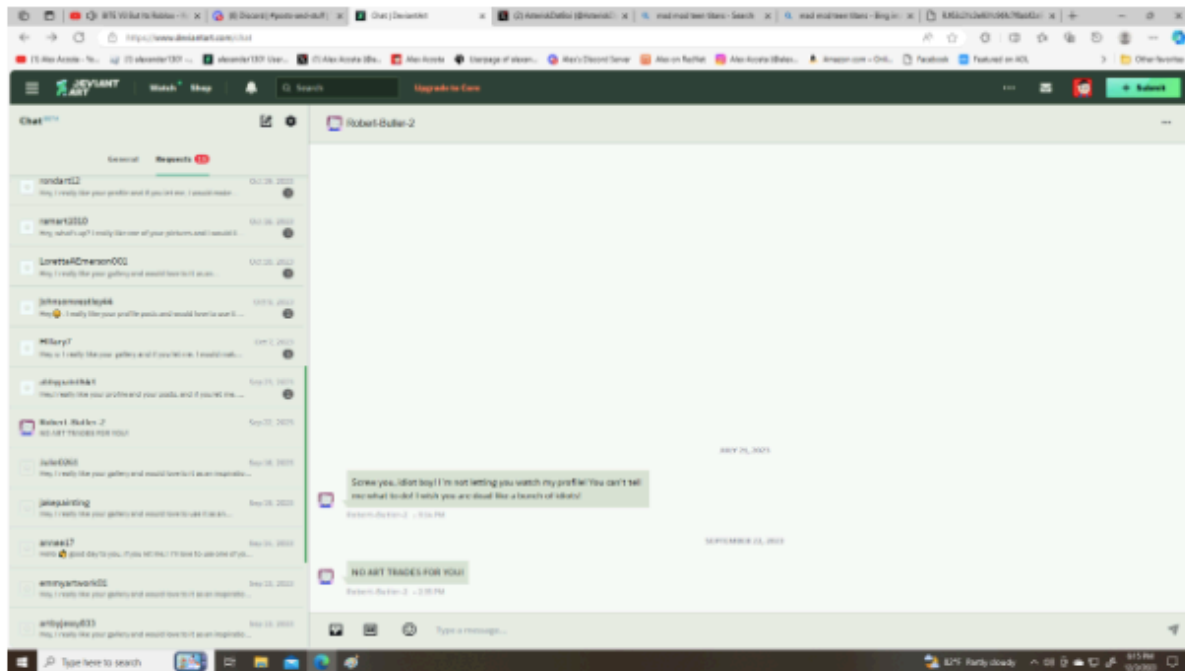

This Appeared to be when i Scolded him for trying to free toonlandia from my Block.

Recently as well, I have heard from another User

He got Blocked by Robert-Butler-2, All because That User Cut ties with him, The User Also Described him as Ungrateful and Manipulator, Which, Kind of Goes Valid to Robert-Butler-2

Proof:

This might be also Proof He Might be Actually Ungrateful when Someone Watches him.

Conclusion:

I already Had Bad History with Robert-Butler,

And This User is Nothing short of being:
Ungrateful, Manipulator, Toxican, Art-Trade Spammer
Death-Wisher and Pretty Much Manchild Combined.

Once Again

Do not Attack, Harass or Threaten this user in any way,
Doing so can put you into same bad position as him.

Simply Just Block him

[Robert-Butler-2 User Profile | DeviantArt](#)

Well guys, I know this isn't the best time for me to post this, but it's time I come into a conclusion about a former friend named [@ToonArtistsLover](#). Yeah, this is basically my rightful decision on cutting ties with him. I already blocked because of his actions.

So, here are the following reasons why I don't trust him anymore:

1. His fetish content

Yeah, he does underwear fetishes. That also included twerking and butt close-ups. I don't favorite them because my friend [@RobertLeyvaIII](#) rightfully blocked him for that. And because he was born in 2002 and a little older than me at this point, he is somehow a manchild.

2. Manchild Behavior

Speaking of manchild Behavior, according to the [call-out document](#) by [@FilletusArt2001](#), he has been doing horrible things on Deviantart back then. He made hate art against people all because they don't take requests from, and even making an [Anti-user group](#) (along with the help of AaronMinecraftity00) just for no reason... And worse, making alts just to make threats on people who rightfully called him out for his actions. The fact that he is somehow 23-24 years old right now, and I am 22 (turning 23 next month), just to make him innocent when his actions speak for themselves, like, come on now!

Dude, there's no answer to forgiveness for you dude, you haven't been changing your ways, and no one is going to forgive you that easily due how many times you've begged people to do so.

Oh, and don't get me started when you were supporting [@Cityboy5751](#) on your profile and his profile each other when he has done the same behavior to [Katesplace2009](#) because of him being immature as you! If you decide to side with him after I blocked two of you after this, don't try coming after me, [@OMGShay92](#), or even [@RobertLeyvaIII](#) when we are against manchild behaviors like yours... Because we already know what you've done.

Oh, and speaking of which, according to the recent post by [@FilletusArt2001](#), he has made a murder video against [@WaffleTheLittleFox](#), [@FilletusArt2001](#), and other innocent users on Bluesky, and by the looks of its accounts, it seems that what I found out about him was absolutely insane and heartbreaking that he would do such a thing.

ToonArtistsLover, or should I say, AlexTheFoxCub, you have no way of changing your behavior anymore. Face the truth that you were the one who have hurt [@FilletusArt2001](#), [@WaffleTheLittleFox](#), [@MaxPesky06](#), [@GylmarGeniusCat](#) (now known as [@GGCPictures](#)), and other people you've done (especially to my good friends in general), all you done is feed trolls and giving people attention when it's 2026, and no longer the 2010s anymore!

Alex, if you are reading this, please go get therapy right now, and I mean, real therapist! This is not a threat, that's a promise you need to take! What you've done was behind your true colors and deserved to be spoken about in the history of Deviantart controversies! Actions are still actions by the end of the day! And by the looks of you being in this platform and fitting it as a whole, you don't fit as being a good person anymore, and you shouldn't be on social media platforms at all!

End of story...

Anyways guys, please be aware that ToonArtistsLover is not the person to be trusted, and he needs to be criticized and be advised about him being a manchild, and I don't tolerate that.

Thank you for reading this.

**NO!! DON'T YOU EVER MADE
OUT A HATE POST OF ME!, I
NOT A MANCHILD ANYMORE!!,**

**AND DON'T GET A BAD LINK
OUT OF ME!!, AND IF YOU DO,

See Here:

Hi everyone, I'm not tryna bash ur opinion or callout or anything, but if ToonArtistsLover asks why I blocked him, it's because of his underwear art that makes my favorite Blazing Dragons artist, JustinandDennis, have an opinionally negative view of him, and... I accidentally gave him a llama (That's the reason why I made this status update).

I hate to make this a post. I don't like to make call out posts as I know they can be stressful to people and I know they could make things worse but I just have to spit it out. Toonlandia aka Foxtown2002 aka FoxesandDinoDogs2002. You need to clean up your act. I am sorry. Your causing a ton of drama and I just wish you stop. I am a small cartoonist who does not take requests. However guess what? This fella is barking up my tree for requests. He wants me to draw his fox. I ignore him. I blocked him and try to avoid him. However he simply makes another account and followed me. It is a cycle. He is constatly following me with new account after new account. He won't leave me alone. He might be an obessive fan of me.

Then I found he has a collection of fetish art featuring characters wearing uderwear, diapers and panties. Some of these characters are canonically minors like Buster and Babs Bunny from Tiny Toons. This behavior is not ok! He also has an highlights feet and belly buttons. His fetish art thing has got so bad that from what I heard. A good friend of mine and one of my favorite artists on thit site had fetish art drawn of his OC without premission. That is something I do not tolorate.

So he gets called out. What does he do? How does he respond with these mistakes and feed back. An applogy? An honest attempt to do better?

I Deleted All the Bad Pictures of Rules, and It's Gone For Good, and I Don't Like Them Anymore.

Nope! Instead he makes these signs and avoids blame and responsibility like it is the plague! He says he is going to improve. He says he is gonna stop his behavior, but he doesn't. He continues doing this stuff! Actions speak louder than words mister.

There is a reason why I don't post a lot of art on DA and it is because of the abundance of questionable, controversial and problematic users on this platform. It is honestly kinda sad to be honest.

Toonlandia, I am not asking much from you. All I want is for you to clean up your act. For real. Make an honest attempt to improve as a person and mature. We all mess up. We all make stupid mistakes. I get that and I get it is hard to take responsibility for your mistakes. I hate doing that to be honest but you are not gonna improve as a person if you don't. You have to do that. If you don't make an honest attempt. You are just gonna make even more trouble for not only people on this platform, but also yourself. Please. Do me a favor and make an honest attempt to improve as a human being. I will be so proud of you if you make an attempt to take accountability for your mistakes and learn from them. Instead of making excuses, saying you will improve only to not do it. I am disappointed in you.

Hey, so I know I couldn't hold things longer after seeing too many people's true colors...

To be honest, it's time for me to say that staying out of drama is probably the only choice I have to follow. Because multiple innocent people (especially myself) have seen how users my friends [@OMGShay92](#), [@RobertLeyvaIII](#) and [@RTtheToonDude2003](#) have seen so many people can't keep a trust to us, because it leads to the people who got rightfully called out would just not accept the truth and criticism instead tries to paint themselves as victims by making excuses as making someone like [@Katesplace2009](#) and/or [@Faunatown](#) as bad guys when they are not, or even calling arts or even call-out/exposure posts as hate art, when that's no definition of what hate art actually is. Now, I say that some arts on someone who got exposed may be either a joke or serious, but I personally disagree on that.

A hate art is actually an art you made out of someone by threatening them with violence. What [@ToonArtistsLover](#) is an act of hate art on [@FilletusArt2001](#) as it said in the [call-out document in the last post I made](#), and what [@OMGShay92](#) did to ToonArtistsLover is NOT a hate art, because that's different from it. Hate art can get taken down if it contains violence involving an innocent user, it can actually get reported to the Deviantart staff. The call-out document ToonArtistsLover made on her, is just simply untrue, and he tries to get his audience to report her as if he's in the right when he's not.

Hate art cannot be posted on Deviantart, and it's sickening how people just act. And we can't feed trolls into it either because they make useless rant/hate/threatening videos or posts out of innocent users, and even brainwashed/manipulated people to block them or report them, they are all dumb and stupid. It's still considered silencing people from speaking the truth, and even making them depressed as well.

Now, I don't expect anyone to agree, I want to express my feelings why drama is just becoming a huge problem from what happened to me by two people who can't take my advice.

Now, an advice, Trust, Respect, and Boundaries Matter in Any Community. When Someone Crosses Those Boundaries, The Consequences Can Last a Long Time.

Spread this post if you are against drama around Deviantart.

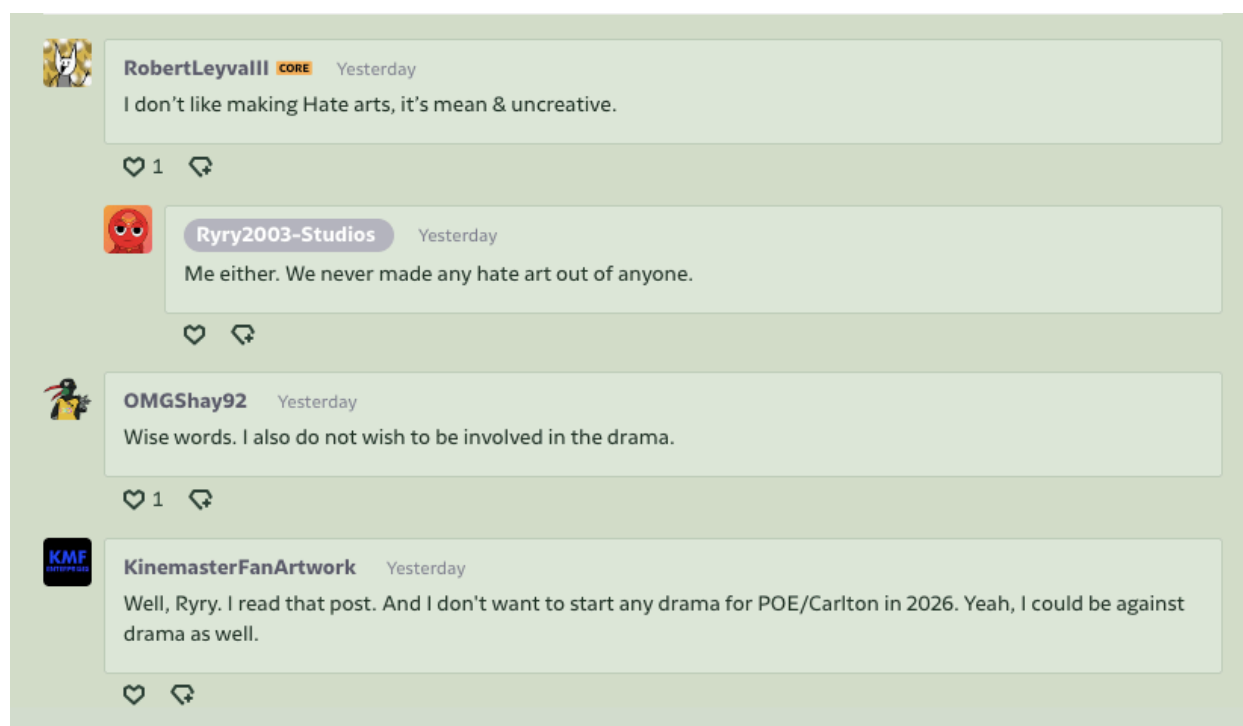

Thank you for reading this.
