Verse 1: You pack a bag, you *mp*

(Led.)

11 hard to miss You need a gen - tle hug and may you some-day heal wounds the || you feel that
say goodbye You kiss me on the cheek and look me in the eye You tell a lie that

16 i once have dealt to you... And un - til then, i don't care when, i will be there for
you will soon return to me I loved you then, I love you still And now, it won't be

21 you no mat-ter what i do you'll al- be the moon of my night - ly sky
long until you're here at last And then I ask if your heart still burns for me
