

Beyond the

RIM

I know it's silly.  
Maybe even unhealthy.

"It's only a TV show!"

But...

It's more than  
that.

It's a mirror.

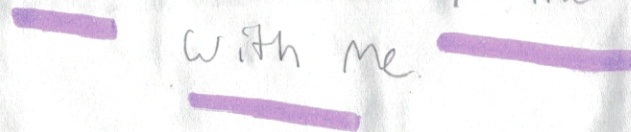

I see my soul reflected here.

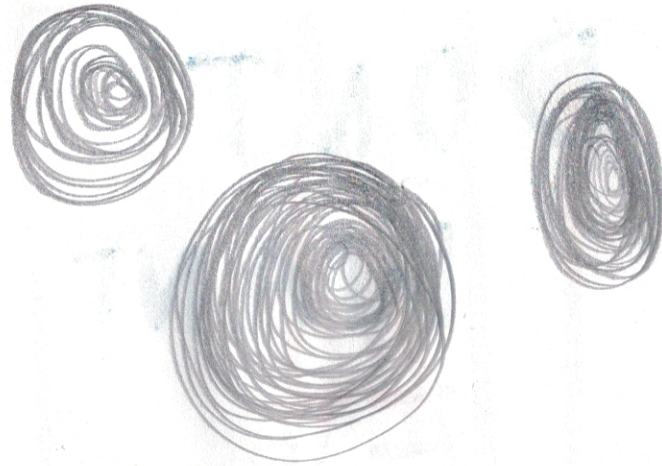

THESE CHARACTERS  
ARE ME.....

And I carry them  
with me.

When it's gone...

Will my reflection  
follow?

I  
DON'T  
WANT  
IT  
TO

END.
