

MigiMontas

Ep. 1

Let's meet Fl.leaf

This story begins with a girl named Meleania who is starting an adventure to be a migimaster. She's traveling to Professor Pluto. "I can't wait to get a migimonta!" Meleania said. She ran to Professor Pluto as fast as she can. She was finally there. "Pro. Pluto can I pick a migimonta now?" She asked. "Oh yes you can Meleania, but we only have two more, Gotia and Flutleaf." "Urn I'll pick Flutleaf." She said. "OKay" said Pluto. Meleania picked up the Migistar and left. "Go Flutleaf!" she screamed. "Flutleaf appeared." "Flu?ee!" Flutleaf said afraidly. "Awww... She's Scared!" Meleania said. She petted Flutleaf softly then picked her up. She saw this boy sitting by a tree with a canel. "Cool!" Meleania said. "Oh hey" said the boy. "I'm

Zackery" he said. "Im meleania" Meleania said.
Flutleaf blushed. "Flutleaf... whats wrong?" Meleania ask.
"Oh! I know lots of things about Flutleafs, when they
blush, they try to attract other migimantars. Zackery said.
His Canzel looked at Flutleaf Confusely.

"Wow! I can get lots of migimontas than" Meleania said happily. "Well may I travel with you Meleania" Zachary

said. "Sure!" she said. It got dark outside. "We should go to my house". Zachary said. They left and went into the house and had set their migimontas down and went to bed. "Flufe!" Fluffle said

She looked out the window curiously. She used her tail to cut the curtains up then laid down on them.

"Canze!" Canzel yelled then hit Fluffle with his arm. "F-Fl"

Fluffle said sadly then started to yelp. Canzel got surprised then tried to make Fluffle stop

Crying. Meleania woke up. "Whats wrong Fluffleat. She asked. Fluffleat ran into Meleanias arms then went to sleep. "Cii!" Canzel said then layed down. It became morning. "Aah... What a sunny day!" Meleania said then got up and picked up her sleeping Fluffleat. "It looks like its time to go" said Zacker. "Come on Canzel." They left out the house and went to Professor Pluto's lab. They saw the Professor worried. "What should I do!" He said. Gotia was missing. "Oh no!" Meleania said. Fluffleat woke up. "Flu-F-...." Fluffleat said weakly. "Whats wrong with your Fluffleat" Zacker asked. "I dont know?" She said. Pro. Pluto picked up Fluffleat and looked sadly. "Your

Flutleaf is sick!" he said. "Let's go to the practitioner."
Pluto said, "Melania gave Flutleaf to the nurse." "Hmmm..."
said the Nurse. "Your Flutleaf has something stuck in
her stomach?" Nurse said. "Bring her to the back
room." Melania, Zackery, and Pluto walked to the room.
"F-Flu?" Flutleaf said. "Here you go sweetie just eat this
ok." Flutleaf looked at the piece of food. She ate it. "!"
Flutleaf did not like the taste then had spit it out. "Flu!" She said
weaker. "Did it work?" Melania asked. "Yes. The midget
is supposed to spit it out. In a few minutes it will
spit out the thing that it ate." Nurse said.

Chapter 10: Cuckoo's Nest

Everyone got settled and went to Pluto's house to eat.

"Your Pokemon can eat this Migi food!" Pluto said. Every
one ate. Canzel looked at Flutleaf a few times

to make sure that she was ok. "Flu...Flutte!" Flutleaf
said. Flutleaf started to act weird. "cc-canzel!" Canzel said
then held on to Flutleaf. She kept zapping everyone

"Het Flutleaf calm down!" Meleania said.
