* A book to
experiment and
let things flow
w/o structure.

I am doing w/
i want w/ this damn
thing. Fuck it.

idk how
to start
theses...

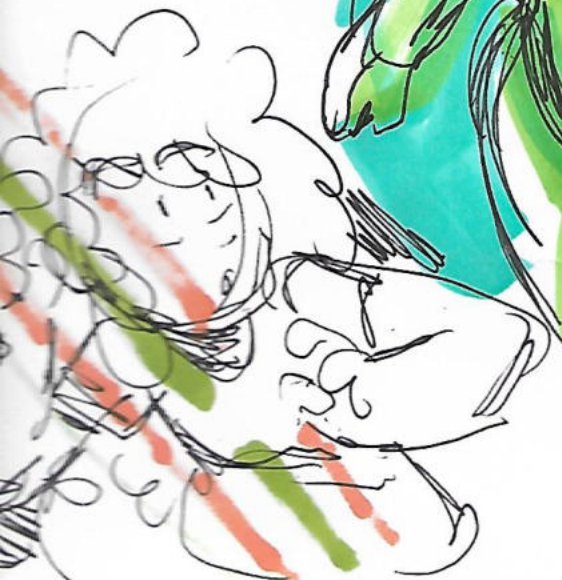

im out of practice

inconsolable

im so out of shape w/ these...

guess ill do em everyday.

America is a Joke!

this country is so sad

what comes when winter?

this is Hell. hell. : HELL.

bad

wheeze

it will
be
ok

They do not care.

hey rea

This is a reality that cannot be mended.

We live in a world that is beyond repair.

MAKE IT STOP
your gun

I love living through historical moments that are basically listing reasons why remain here is no good.

oh boy im not making here

maybe i'll always be this little girl

i'll always be moldable. for you.

nothing has changed.

even though i've tried.

and how do you respond to perceived rejection/dissatisfaction?

I don't. I just end it all before it happens

what??

you don't say NO to me.

it's ok. take your time.

thank you for being patient with me.

its all ok

I am so powerless

you have no control
you have no control

to the things that can happen in my life.

RIP

see my friends dying in my head

anytime they seem slightly sad.

and i dont know how to help them

be grateful

it could be worse

you'll be fine

What should i say

what can i do? i can barely speak.

im so scared

how do i be normal figure it out!

theres no way to rewire this

rewire reboot correct fix replace edit the make accept it u

but i haven't thought

At what point in your
life will you finally
have worth beyond
their definition?

Will your words ever
say more than what
they want to
hear?

Will your actions ever
be more than what they
expect to see?

holding onto the
belief that i do
belong somewhere
among the rest

i am not afraid
to admit that i
am flawed

i am just lost
on how others still
exist in their
imperfections
and remain confident

no person is perfect, yet my flaws
are crippling me. i can't
find my place

do i persevere?

or do
i
raise my
white flag
for good?

maybe this is just
a path i am destined
to
live

but i haven't fought
