

# Fang Dynasty

## ORIN FANG

*The Law Above All*

- Patriarch obsessed with strength and tradition
- Emotionally distant and hyper-controlling
- Sees weakness as betrayal of bloodline
- Demands absolute loyalty, regardless of personal cost
- Secretly proud of Rexar but views his defiance as threat

## ZERAPHINE FANG

*The Heart of the Flame*

- Regal and protective, especially of her children
- Balances power with quiet, assertive compassion
- Defies Orin with subtlety and brilliance
- Understands emotional nuance, especially Rexar's
- Uses words like weapons—soft and cutting

## THORNE FANG

*Discipline is Mercy*

- Firstborn, Twin with Sylwen; family enforcer and commander
- Rigid, stoic, intensely loyal to tradition
- Acts as moral compass for Orin's vision
- Cares about his siblings but doesn't express it softly
- Has respect for Rexar despite clashing beliefs

## SYLWEN FANG

*The Silent Strategist*

- Master planner and cold analyst
- Rarely shows emotion; calculating and methodical
- Uses intelligence to shape internal family dynamics
- Disapproves of weakness but not without logic
- Protective in her own clinical, unsentimental way

## ELARIS FANG

*The Diplomatic Blade*

- The family's political voice and negotiator
- Silver-tongued and razor-sharp
- Deeply perceptive of emotions she refuses to feel herself
- Holds others to impossible standards, including herself
- Both critical and quietly proud of Rexar

## GARRIK FANG

*The Predator Who Laughs*

- Loud, humorous, and masks violence with charm
- Highly skilled in combat and deeply proud of it
- Protects the younger siblings with lion-like loyalty
- Celebrates violence more than any sibling
- Thinks Rexar is soft, but never says it without a drink

## NYXARA FANG

*Keeper of the Ancient Flame*

- Deeply mystical, borderline religious
- Acts as ancestral voice among modern fangs
- Believes in purity of flame and ritual
- Feels more fire than blood in her soul
- Sees Rexar as a spirit exile, not a rebel

# Fang Dynasty

*continued...*

## MARWYN FANG

*The Softest Knife*

- Kindest of the core siblings; motherly presence
- Emotional but emotionally regulated
- Acts as healer, both physically and spiritually
- Keeps everyone alive in her own subtle rebellion
- Offers Rexar warmth no one else can give

## VAROS FANG

*The Perfect Weapon*

- Trained as an executioner from youth
- Robotic, emotionless, and terrifyingly efficient
- Views orders as sacred
- Feels little beyond duty—if he does, it's buried deep
- Would kill Rexar if ordered, with a tearless nod

## REXAR FANG

*The Fang Who Fleed*

- Emotionally raw, poetic, and filled with conflict
- Hates the Cullings but still craves Anima
- Loves fiercely—especially Kriia, Meeko, and his siblings
- Suffers physical symptoms without feeding
- Torn between blood loyalty and moral identity

## ZYRA FANG

*The Spark of Rebellion*

- Creative and expressive; closest to Rexar emotionally
- Questions family customs but is still bound to them
- Uses art as emotional release
- Often underestimated due to emotional openness
- Shows genuine love without condition

## VESPER FANG

*The Quietest Cut*

- Emotionally silent but observant
- Adopts a “speak through action” stance
- Hides ferocity behind soft presence
- Loyal to the core but internalizing doubts
- Young but developing into a lethal operative

## RUNA FANG

*The Innocent Ember*

- Youngest and most untouched by violence
- Sweet, hopeful, and emotionally open
- Treats everyone with kindness, including outsiders
- Often sheltered but fiercely brave in her softness
- Gives Rexar moments of peace no one else can

## THE BLOODLINE THAT BURNS

They are not just names on a tree.  
They are war-born, fire-forged, soul-bound.  
Each Fang carries the weight of legacy—  
and the scars of what it costs to bear it.  
Power isn't the only thing that runs in the family. So does pain.
