## PROJECTS

---

### Paradox Space-Homestuck Epilogues FR *Lead Translator, Web Developer and Content Curator*

<https://abbylikestodraw.neocities.org/Paradox%20Space%20FR/paradoxspacefr>

<https://bonbonsucree.github.io/homestuckepiloguesfr/index.html>

Ongoing translation of The Homestuck Epilogues (approximately 190,000 words) and Paradox Space comic strips from English to French.

Designed and developed a fully functional, user-friendly website using HTML and CSS, maintaining aesthetic fidelity to the original work. Gained proficiency in Adobe Photoshop for text editing, Notepad++ for script management, and localization strategies.

### Monopoly Speed Die Research *Independent Researcher - TIPE*

<https://www.researchgate.net/profile/Bassma-Abisourour>

Conducted a two-year mathematical analysis on the impact of the Speed Die mechanic in Monopoly, applying Markov theory, enhancing strategic understanding of the game's mechanics.

Automated complex calculations using Python, improving accuracy and efficiency in the analysis.

### Personal Blog *Creator and Content Producer*

<https://abbylikestodraw.neocities.org/>

Curate a diverse range of creative projects, including fan art, fanfiction, and academic work.

Published over 200 pieces of fan art and stories across multiple platforms, generating thousands of views and interactions from global communities.

Demonstrated strong creative and communication skills, managing content distribution, building a personal brand, and engaging with online audiences.

## LEADERSHIP AND VOLUNTEER EXPERIENCE

---

### Girl Up

*Youth Leader*

Washington, DC (Remote)

January 2019 - January 2021
