## Graphic Design Experience

### Graphic Designer at DukeDevs Game Development Club

January 2024 – Present

- Create brand identities, including posters, logos, and social media advertisements, in a short time frame using Adobe Photoshop, Illustrator, InDesign, Premiere Pro, and After Effects for 24 months of club events.
- Utilize design skills to create a unified identity for the club.
- As an executive member, make decisions on a leadership team about future events and offer insight from a graphic design perspective.

### Design Team Lead at Iris Literature and Arts Magazine

February 2024 – Present

- Create a unique identity for each issue of *Iris*, including typography and color palette.
- Manage a team of designers while ensuring a cohesive identity and copyediting/proofreading work.
- Create 5–8 spreads for 5 issues of *Iris* magazine.

### Graphics Committee Lead at VIC GAME DEVELOPERS FOUNDATION Nonprofit

March 2026 – Present

- Create the brand identity for the foundation, including typography, color palette, character mascots, and design systems.
- Create two 30 second motion graphics, and edit two high-fidelity videos announcing the results of a competition.
- Create a website for the event.

## Work Experience

### Ice Cream Server at Fantasticks Gelato

2022–2024, Seasonal

- Served gelato to customers, kept display stocked, handled cash, and cleaned the store.
- Managed time-sensitive tasks under a stressful work environment while ensuring good customer service.
- Gained a better understanding of the inner workings of a food business, teamwork, and following instructions to strengthen the interests of the company.

### Dock Worker at Washingtonian Paddle Boats

June 2021–October 2021

- Worked with employees to give customers life jackets, help customers on and off of the paddle boats, and other aspects of working a dock.
- Experience collaborating with other employees in order to ensure customer satisfaction and safety.

## Technical Skills
