### Dachshund race to benefit animal shelter

The 2nd Annual Dachshund Race and other events to support the Tri-Lakes Humane Society will be held from 9 a.m. to 2 p.m. on Aug. 25, at the laser show field at Celebration City.

Attending to watch is free, but the no-kill animal shelter in Reeds Spring is accepting donations.

Registration of racing dogs is at 9 a.m. The costume contest is at 9:30 with races beginning at 10.

There are raffles, vendors of doggie items and a concession stand provided by Celebration City. Performers from the Tall Timber Lumberjack Show will put on demonstrations. The park is not open during the event.

Owners may bring their dogs to the event if they are well socialized for crowds, on a leash. Dog owners must police their pets. Water pans will be available. Dogs entering events must have vaccination records. Last year, more than 30 dogs raced, and more are expected this year.

For more information about the races, call the shelter at 272-8113.
